Key Spokespeople:

Danielle O'Rourke, CEO

Danielle O'Rourke serves as Chief Executive Officer of Ludi, the leader in provider compensation solutions. Before taking the helm of Nashville-based Ludi as part of the company's transformative growth recapitalization in December 2023, she served as COO since joining the team in 2019. Danielle has many years of experience as a healthcare leader working with businesses, from startups to large enterprises, in a variety of roles, including business development, strategy, M&A and investing. Prior to Ludi, Danielle founded ROND Capital, a Nashville-based private equity firm, where she served as CEO. Earlier in her career, Danielle held a principal position at Martin Ventures, worked at The Riverside Company and Brentwood Capital Advisors, and served on the board of directors for Ovia Health and Clockwise.MD. In 2025, she earned national recognition as one of Becker's "100 Women in Health IT to Know."

Eric Leafgreen
VP, Provider Compensation

Eric Leafgreen is the Vice President of Physician Compensation at Ludi. He previously served as Director of Provider Compensation at Banner Health, one of the nation's largest non-profit health systems, where he oversaw fair market value assessments, provider pay practices, and physician practice acquisitions. Eric began his career in public accounting and later joined VMG Health, advising health systems on compliance, valuation, and compensation strategy. He holds a Master's in Professional Accountancy from Indiana University's Kelley School of Business and is a founding Board member of the American Association of Provider Compensation Professionals (AAPCP). Eric is a frequent speaker on the national conference circuit, sharing insights on provider compensation, AI, and related healthcare tech trends. His recent speaking engagements include AAPCP, HFMA, AHLA, and AMGA annual conferences.
